

The Parks Trust – Areas of Responsibility

The Parks Trust looks after over 6,000 acres of green space across Milton Keynes, with several sites in the boundary for the Broughton and Milton Keynes Parish Council.

The green spaces managed by The Parks Trust are patrolled regularly by a dedicated Community Ranger. Landscaping work including tree management, repairs and planting is then handled by the area’s specialised team.

Your Parks Trust contacts for Broughton and Milton Keynes Village:

Mark Colton – Area Manager

Frank Gill – Landscape & Direct Works Manager

Susi Jensen – Community Ranger
