ADDENDUM - FC19/20-68 Public question time, including Ward Councillor updates

1. MK Community Foundation (Proposed Gym Planning Application)

Ian Revel (Chief Executive) gave a brief overview of the independent charity working for and at the heart of Milton Keynes. They have been going for 32 years and were endowed with building and property for community use and development. Broughton/Brooklands Development S106 funding is different because it has to be developed within a time-line. The site opposite the new health centre next to Lidl is where they propose to relocate and redevelop the gymnastic / table tennis centre currently at Kingston. They are also working with housing association to build 33 units at the front of the site and then a carpark and gym at the back of the site. They are looking to submit a planning application towards the end of September. They will also look to have a ground floor community use facility. The new facility will be leased out and will have gymnastics, gym hall, café, dance and table tennis.

2. Ferry Meadows; resident gave an update.

Old hut and its gates have now been removed however, there is a concrete slab left in situ.

They met with MKC 6-weeks ago and were presented with 7-8 options; it's clear in their opinion that many of the options are not viable and the main issue of parking needs to be sorted out.

Resident came up with short list of most feasible, which have been emailed to Emily Darlington. Potential improvement on options have been provided and they are asking if the Parish Council can liaise with the Community Centre to see if the use part of the allotment site is a viable option.

3. WARD CLLR SAM CROOKS/KERRIE BRADBURN UPDATE

Broughton

Ferry Meadows & Leaholm Way residents have informed the Council of their reaction to the Council's proposals to improve access to the Hindu Community Centre.

Broughton Gate

Residents from Countess Way and the Newport Road have been invited to the next meeting of the Eastern Expansion Area (EEA) Stakeholders 'Group'.

Brooklands

- Residents around the Pavilion would like dog bins to be erected around the football pitch.
- A new gymnastic centre is to be built opposite Lidl
- I am in discussions with UNO about the re-routing of their bus from the Newport Road to Fen Street.

Middleton

New linage is to be completed on Worrelle Avenue and Noon Layer Drive on 11/12 September

Oakgrove

After looking very unkempt both the grass and shrubs have been cut. I have met Crest formally to see how best to prevent this (and similar) situations arising again

Newlands

A community boat is being launched (subject to funding) from the new wharf which will travel up and down the canal.

General

- Crime: I am in discussions with the Council and Police about the current spate of crime around the ward.
- I have notified the Council about a number of litter hot spots

- I reiterate my previous comments about a warden and hope that that can be included in the Parish's precept discussions.

4. WARD CLLR JOHN BINT UPDATE

- Mixed feedback to white sack (recycling).
- Litter toward southern end of Broughton is a problem and being monitored.
- MKC trying to bring forward MK East consultation to 16/10. If anybody has any comments, please sent to Cllr John Bint feedback.
- Problem with developers not having handed over to MKC yet, consequence council cannot implement any action until this is completed.
- Litter hot-spots, underpasses grid roads.
- Skate park curfew in operations (19h00 should be closed), if an issue let JB know.
